Chapter 1

Introduction

Start the introduction here. Motivate the problem, situate it against prior work with a citation [1], and end with an outline of the remaining chapters.

1.1 Motivation

State the problem being addressed.

1.2 Contributions

List the concrete contributions of this thesis.

Definition 1.2.1 (Example definition)**.** *This is what a* `definition` *environment looks like — replace with a real one.*

Theorem 1.2.2 (Example theorem)**.** *This is what a* `theorem` *environment looks like, referenced later as theorem 1.2.2.*

Proof. A short proof goes here. □

This template also defines a glossary — see TEX for an example entry, collected at the end of the document.

Chapter 2

Conclusion

Summarise the contribution of the thesis, its limitations, and directions for future work.
