Morning Signal

lyrics: Original, music: Your Name, key: G

G C D
1. The first light finds the window G and turns the room to gold.
G C D
A quiet line of music G is waiting to be told.

C *G* *Em* *C*
Chorus: *Sing it once for the morning, D sing it clear and bright; carry the tune through*
G *G*
the daylight, D carry it home tonight.

G C G
2. The road unfolds beyond us and leaves its trace in time.
G C D
We keep the beat together and let the words still rhyme.

Working notes

Chords are placed immediately before the syllable where they change. The package also supports chord-memory and transposition options; this starter keeps every change explicit so it is easy to edit. Add further songs with the same environments.
