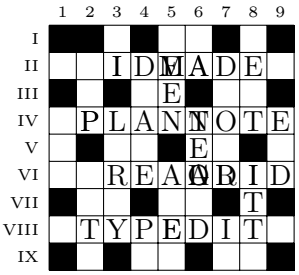
A Small Crossword Grid

Your Name

Edit the dimensions, black cells, and word coordinates to create a new puzzle. Coordinates are column/row pairs; words are given as ‘column/row/answer‘.



Clue list

Across IDEA — a thought; MADE — created; PLAN — an outline; NOTE — a short record; READ — examine text; GRID — a regular array; TYPE — a kind; EDIT — revise.

Down Replace these example entries with the answers and clues for your own grid.
