FADE IN:.

INT.. ARCHIVE ROOM -- NIGHT

An old receiver glows beneath a desk lamp. Dust hangs in the beam.

ELI
That frequency was decommissioned years ago.

NORA
(without looking up)
Then it should not be answering.

EXT.. ARCHIVE BUILDING -- NIGHT

Rain taps against the windows. A red indicator begins to pulse on the roof.

ELI
We have one minute before the backup generator resets.

NORA
Make it count.
