Term Paper Title

Student Name

***Abstract*—A short summary of the paper's topic, method, and findings, written after the rest of the paper is drafted.**

I. Introduction

Describe the planned activities and the specific question the paper investigates, with references to the sources that motivate it [1].

II. Background

Give the topic background, citing prior work as it becomes relevant [2].

III. Results

Present the findings from interviews, observations, or experiments.

IV. Discussion

Evaluate and comment on the results presented above.

V. Summary

Summarise the paper's contribution and any open questions it leaves.

Appendix

Include interview subject details, survey questions, or other supporting material that would otherwise interrupt the main text.
